Results-driven **Frontend Developer** with **2+ years** of experience building scalable, high-performance web applications using **Angular, TypeScript**, and modern frontend architectures. Proven expertise in **enterprise-level UI development, REST API integration, role-based access control (RBAC)**, and performance optimization. Adept at translating business requirements into intuitive, user-centric interfaces while collaborating closely with backend and product teams.

SKILLS

Languages: TypeScript, JavaScript, HTML5, CSS3

Frameworks & Libraries: Angular (10+), Bootstrap, RxJS, Angular Material, Reactive Forms

UI/UX & Styling: SCSS, Responsive Design, Material Design

Frontend Concepts: Component Architecture, Lazy Loading, State Management, REST API Integration

Developer Tools: Git, GitHub, Postman, Chrome DevTools

PROFESSIONAL EXPERIENCE

Frontend Developer

July 2025 – Present

SANGLOB BUSINESS SERVICES PRIVATE LIMITED

- Architected and developed **MACK (Managing Content & Knowledge)** enterprise platform with **4 core modules** (Invoice, Quotation, Purchase Order, Requisition) streamlining end-to-end procurement workflows
- Engineered automated document generation system integrating **150+ REST APIs**, reducing manual processing time by **40%**
- Implemented comprehensive **role-based access control (RBAC)** system with dynamic permission management

Frontend Developer

Oct 2023 – April 2025

Crococode Pvt Ltd

- Engineered **responsive Angular applications** achieving **flawless cross-device performance**
- Designed **dynamic UI animations**, boosting user engagement by **30%**
- Improved application performance by **40%** using **lazy loading** and **code optimization** techniques

PROJECTS

MACK (Managing Content & Knowledge)

2025

- Angular, TypeScript, Material UI, REST APIs*
- Architected **MACK enterprise platform** with **4 core modules** (Invoice, Quotation, Purchase Order, Requisition) featuring **responsive data tables** with advanced filtering, sorting, and pagination for efficient workflow management
 - Engineered automated document generation system integrating **150+ REST APIs** and implemented **role-based access control (RBAC)** with dynamic permissions, reducing manual processing by **40%**

VIGORBOOKS

2025 [View Project](#)

- Angular, TypeScript, REST APIs, Bootstrap, RxJS*
- Engineered a **comprehensive financial management platform** with **automated GST calculations, intelligent transaction management, and real-time financial data tracking**, streamlining accounting workflows and reducing manual effort by **35%**
 - Built **interactive financial dashboards** with **dynamic data visualization** and integrated **automated PDF generation for invoices, receipts, and comprehensive reports** with **customizable templates** and multi-format export capabilities

MIPRASS

2024 [View Project](#)

- Angular, Responsive Design*
- Cloud-based **inventory management system** with **real-time stock updates** and **intelligent tracking**.
 - Developed **responsive, high-performance UI** improving **system usability** and delivering seamless user experience.

CodeSpeedo

2023 [View Project](#)

- Angular, TypeScript, JavaScript, CSS*
- Built **no-code platform** for Ionic & Flutter apps with **drag-and-drop builder** and **visual component library** featuring pre-built UI elements and customizable templates, increasing developer productivity by **50%**
 - Implemented **real-time preview** feature allowing instant visualization of design changes and seamless development workflow

EDUCATION

Bachelor of Computer Science & Engineering

2020 - 2023

Aravali Institute Of Technical Studies, Udaipur

Diploma - Science Stream (Computer Science)

2017 - 2020

Vidhya Bhawan Polytechnic College

CERTIFICATIONS

Experience Certificate - Frontend Developer

Oct 2023 - April 2025 [View](#)

Crococode Pvt Ltd, Udaipur

Industrial Internship Training Certificate

May - June 2019 [View](#)

WebKeens Technologies, Udaipur
